BALTIMORE CONVENTION CENTER

# AT THE 24th ANNUAL

## BLACK ENGINEER OF THE YEAR AWARDS CONFERENCE

The Black Engineer of the Year Awards Conference is centered around top professional engineers and student from every area of the nation. These engineers cover the fields of science, engineering, and technology. The conference itself is geared toward topics affecting Black technology professionals such as career advancement, diversity programs, and specialized industry updates to acquire and retain talent, to learn and network among the best and the brightest technology minds in the country. The conclusion of the conference focuses on the achievements of African-American leaders in companies across the nation.

**Patriots Technology Training Center is also looking for Parent Volunteers to make this trip a success!**
